### **WHERE is it being held?**

Thompson Elementary School 187 Everett Street, Arlington, MA

### **WHO can attend?**

Everyone. It is open to the public.

### **WHAT is this event about?**

It's basically a clothing exchange. People who no longer have use for wardrobe items contribute them to a collective for others in the community who have need or can make use of them. Also, we are very pleased to let you know that this event will be part of Arlington Eco Week, April 22 (Earth Day) through May 10, 2022. (see <https://www.arlingtonma.gov/departments/public-works/recycling-trash-composting/ecoweeek-events>)

### **WHAT items are being collected?**

Clothing, accessories and shoes in good condition (clean, not damaged, no stains). This includes items for all genders, ages and seasons (and even pets, why not).

### **WHAT about foundation garments (underwear, bras, etc...)?**

We are not collecting under garments.

### **HOW are the items collected?**

Drop off points are located in multiple spots in Arlington. Pick-ups are available in limited instances.

### **WHERE are the drop-off locations?**

Volunteers' addresses are not posted publicly. Please sign up [here](#) and someone will be in touch with location information.

### **WHEN is the deadline for contributing clothes?**

Optimally by Wednesday, April 27th, so that the items can be sorted and prepared.

### **Can I contribute items AT the event?**

This is highly discouraged. Volunteers will be busy keeping the event running smoothly.

### **WHAT will happen with items not taken?**

Unclaimed items will be deposited in the white bins that raise funds for the Arlington Public schools.

### **WHO can I reach out to for more questions?**
